

DESCRIPTION

Timeless, the most interesting and the most popular collection from the NOVUM playgrounds offer. The 1933-A set is intended for children who like challenges. Rope climbing resembling a rocket, alternating ladder, climbing ladder are obstacles that are difficult to overcome, require strength, agility and good coordination. Such a set is a real treat for young explorers. When climbing, climbing or descending, children practice coordination, balance and strength. Playing on the playground is an opportunity to test your abilities and limitations.
