

DESCRIPTION

The construction of the sandpit is based on an extremely durable HPL laminate with the addition of HDPE boards. Minimalist colours, selected and appropriately composed raw materials and openwork construction of the equipment make the collection ideally suited to both intimate and slightly larger public spaces.

INFORMATION

Number of users	5
Age range	1-14
Device dimensions [m]	2.25 x 0.31 x 2.25
Compliance with the norm	EN-1176-1:2017-12
Spare parts
